BIBLE COLLEGE
SBC Guidelines for
Fall 2020

The staff and faculty of Seattle Bible College are excited to greet all of our returning and new students this coming Fall quarter. We have had a wonderful summer quarter with 196 students which included our newly enrolled students from Thailand! New this summer was a “free” one-credit zoom class taught by Pastor John Hammer. We hope to offer one free course every quarter.

All of our classes will be in person and livestreamed simultaneously. In addition, there will be online courses that can be accessed through Populi for additional distance learning.

For all in person classes, students will need to follow the CDC guidelines, the Washington State guidelines, and the local health department for meeting on campus. The guidelines are listed below:

****Self-Check**

All members of our campus community will need to self-check for the following symptoms: Fever, chills, cough, shortness of breath, fatigue, muscle body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea, diarrhea. It is recommended that you be tested and self-quarantine. Please notify the office immediately.

****Any sick student, staff, or faculty must stay home.**

****6-foot physical distancing must be maintained indoors and outdoors.**

****All persons are required to wear a face covering upon entering the building as well as in class and in the hallways.**

****Students who have a medical waiver should present that to the college office.**

****Wash hands frequently with soap and water: before and after going to the bathroom, before and after eating, and after coughing, sneezing, or blowing their nose.**

****Cover coughs and sneezes.**

****Avoid touching eyes, nose, and mouth with unwashed hands.**

****There will limited amounts of pre-packaged snacks available free of charge. Coffee and tea are available with carefully followed PPE.**
